## PLEASE PICK UP AFTER YOUR DOG AT THE SHOW SITE AND HOTELS

**All dogs must be kept on leash except in designated areas**

**Eligibility:** The Teacup Dogs Agility Association is open to all dogs, without regard to breed or pedigree, measuring 20" or less, who are at least 12 months of age. No dog may participate with apparent injuries, lameness or bandages. Blind dogs, bitches in season and dogs that are aggressive may not compete. Dogs with three legs or feet, either by amputation or birth defect shall be able to compete so long as the disability does not clearly create a safety hazard for the dog.

Clubs that use large equipment have the option to allow **dogs measuring up to 22"** to participate in a TDAA event. Dogs will be scored in a 20" category and will be registered as such. The tallest jump height in TDAA will continue to be 16"; the 20" category simply ensures that these dogs compete against each other. As is the case for all dogs, these dogs may jump at any height they choose at a trial (We will allow actual jump heights up to 24").

**Your dog must be registered with TDAA to participate in TDAA Trials.** There is a registration form included in this premium, or you can register at the trial or online. TDAA rules can be obtained online in the form of a PDF file at [www.k9tdaa.com](http://www.k9tdaa.com)

**Awards:** Ribbons will be awarded for 1<sup>st</sup> through 4<sup>th</sup> in each jump height of each class. Qualifying ribbons will be awarded to all dogs receiving a Qualifying Score. Dogs may receive placement ribbons without qualifying. Fast track dogs will only get Qualifying ribbons at the Beginners/Games I and Intermediate/Games II levels.

**Title Ribbons will be available for you to celebrate your accomplishment.**

## **GAME DESCRIPTIONS**

### **Call, Direct, Send**

Call, Direct and Send (CDS) is a numbered course that requires the team to solve three distance challenges: Call, Direct, and Send. CDS is scored Time, Plus Faults, Less Bonus

### **Rekoons**

Rekoons is Snooker played backwards. Rekoons is a two-part game. The opening sequence in Rekoons is to perform the numerical sequence 7 – 2. After completing #7 obstacle (or faulting an obstacle in the opening) the dog is directed to collect points by doing different combinations of red (jumps) and obstacles. Rekoons is scored Points, Then Time.

### **Full House**

Full House is a game of timing in which the dog is obligated to collect the elements of the full house, earn as many other points as possible, and end time without losing points on a time penalty. Full House is scored Points, Less Penalty, Then Time.

Additional information on the games can be found in: *Houston's Book of Agility Games*, 5<sup>th</sup> Edition by Bud Houston.

Book available. <https://www.ultimuttds.com/shop>

Please email me at [pagc.live@gmail.com](mailto:pagc.live@gmail.com) for more information.

## **CLASS INFORMATION**

### **Standard Agility Classes**

**Beginner** All dogs shall be eligible for participation in this class.

**Intermediate** Only dogs that have earned the Teacup Beginner Agile Dog (TBAD) shall be eligible for participation in this class.

**Superior** Only dogs that have earned the Teacup Intermediate Agile Dog (TIAD) shall be eligible for participation in this class.

### **Games Classes**

**Games I** All dogs shall be eligible for participation in this class.

**Games II** Only dogs that have earned the Games I (TG1) shall be eligible for participation in this class.

**Games III** Only dogs that have earned the Games II (TG2) shall be eligible for participation in this class.

### **FEO (FOR EXHIBITION ONLY)**

TDAA offers FEO runs open to any TDAA registered dog in any class; these are offered at the option of the host club. FEO allows new exhibitors/dogs an opportunity to get in the ring. FEO also allows handlers to try something different in their handling. Dogs may run on lead. FEO runs do not count toward TDAA titles. Toys are allowed (no noises). No treats allowed in the ring at this trial site. FEO will have a maximum time of 1.5 of the SCT or 90 seconds, whichever is less. FEO cannot repeat any obstacles for training purposes. No training in the ring.

### **FAST TRACK MOVE-UPS**

Titles may be grandfathered from other organizations on a "Fast Track" basis. A dog with a higher title from another organization may move up on the same day to the next level of TDAA competition with a qualifying score. It is possible to move up from Beginner to Superior on the same day if the dog qualifies first in Beginner and again in Intermediate. Likewise, a dog may move up from Games I to Games III by qualifying at each of the lower two levels. A qualifying score in the lower class is required to move up to the next higher class. **You must submit a copy of title certificates for the dog.** Please mark each that apply and submit \$8.00 with your entry with the FAST TRACK portion completed. Payment of the \$8.00 is not a guarantee that your dog will qualify at the lower level and is non-refundable. This fee must be paid for this trial even if a Fast Track fee has been paid in the past.

### **HEIGHT DIVISIONS**

**Owners are responsible for entering the proper height division.** Judges reserve the right to measure dogs entered at any trial. A dog's owner or handler may enter a dog at any jump height desired. Dogs jumping at a height other than their measured height will earn qualifying legs and all TDAA titles. Dogs that run in a height division higher than their measured division will be scored in the higher jump height division (ex: if your dog is measured into the 12" division and you jump 16" at a TDAA trial you will be competing with 16" dogs for placements). Dogs that run in a height division lower than their proper division will be scored with dogs of their measured height. Special provisions for Jump Height Exemptions that are based on a dog's structure are explained in detail at [www.k9tdaa.com](http://www.k9tdaa.com).

TDAA height divisions are:

Dog's Measurement at the withers	Regular	Veterans	With Jump Height Exemption	Veterans plus jump Height Exemption
8" or less	4"	2"	2"	2"
8.01" to 12"	8"	4"	4"	2"
12.01" to 16"	12"	8"	8"	4"
16.01 to 20"	16"	12"	12"	8"
20.01" and up	16"	12"	12"	8"
Dogs measuring above 20" MUST run on large equipment. If the trial host only has small equipment, these dogs may not compete.				

**Please consult your jump height card/email to confirm the correct measured height to enter.**

**If you do not have a TDAA height card/email your dog must be measured at this trial.**

Please consult with the TDAA Rules and Regulations for information on Jump Heights, Exemptions, and Course Times.

### **NOTICE TO EXHIBITORS**

- The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport and that their dogs are familiar with and able to perform all obstacles safely.
- All dogs must be on leash or crated at all times except when in the ring or when in designated areas. It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Trial Committee, be asked to leave the trial site. In such case, no refund of any fees will be made. Unsportsmanlike conduct, including rough handling or misconduct of any kind, will result in an excusal from the ring.
- Entries will not be accepted without fees. No entries will be accepted which require a signature for delivery. All entries must be submitted on official TDAA Agility Entry Forms, one dog per entry form. Photocopied entries without the TDAA agreement on the back or attached are NOT acceptable. Unsigned, incomplete, or illegible entries are NOT acceptable.

- Returned checks do not constitute a valid entry fee. The Trial Secretary will add a \$35.00 service charge for any returned checks. Subsequent returned checks from the same exhibitor may result in their being put on a CASH ONLY basis.
- Entry fees will not be refunded if a dog is absent, disqualified, excused, or barred from competition by action of the Trial Committee.
- No entry fee will be refunded if the trial cannot be opened or completed by reason of riots, civil disturbance, fire, and act of God, public emergency, and act of public enemy, or any other cause beyond the control of the organizing committee.
- Bitches in season are not permitted in the trial. The club will refund all but 10% of the entry fee for bitches unable to compete for that reason. A letter from your veterinarian is required by 5:00 PM the evening before the trial start. There will be no refunds for withdrawals for bitches in season after this date. You may email the veterinarian's letter.
- The handler may carry food treats and/or toys in the ring. All food items MUST be approved before being used in the ring. At no time may food either intentionally or accidentally touch the equipment or floor. At the beginning of each run, the handler MUST declare that food may be used. The dog is faulted if handler uses the food in a manner that assists the dog in course direction or in the performance of an obstacle. It may be used once an obstacle is complete. Food CANNOT be carried in the hand at any time on course. Toys cannot be visible or audible. Toys may only be shown/given to the dog at the end of the run. In FEO, toys may be used during the run.
- Exhibitors are responsible for being at the ring gate when it is their turn to run.
- The dog may wear a flat (buckle or quick release) collar with or without tags or may wear clothing other adornments, unless they pose a safety hazard as determined by the judge or the Trial Committee. Exhibitors may wear clothing or insignia of their training group. Shirts may have pictures of their dogs or their names.
- Unsportsmanlike conduct, including rough handling or misconduct of any kind, will result in an excusal from the ring.
- Teacup Dogs Agility Association Rules can be obtained online in the form of a PDF file at [www.k9tdaa.com](http://www.k9tdaa.com).
- TDAA Registration of each entered dog is required. If your dog does not have a TDAA registration number yet, please complete the Registration form and submit fee with trial entry. You may also register online.
- Entries for this trial close at 7:00 PM, October 5, 2021 and cannot be cancelled, altered, or substituted after that time. Entries received after this time will be considered as Day of Show entries and subject to the higher Day of Show fees. If you missed closing, email the trial secretary your information and get a discounted Day of Fee. You will be able to pay at that time. Please complete an entry form and bring it with you to the trial. Handlers will sign the release and agreement at the site.
- Exhibitors are expected to clean up after their dogs.
- COVID-19: We will adhere to all local, state, and federal guidelines regarding number of participants allowed, and social distancing practices in place at the time of the trial. If the Trial needs to be canceled due to COVID-19, full refunds will be given. If you are ill, please stay home; full refund will be given. If we deem an exhibitor ill at the event, we have the option to excuse that exhibitor without refund. Make sure your dog is ok with people wearing masks. We do not want a dog becoming fearful due to something they have never seen before. A hand washing station with soap will be available. Please bring your own sanitizer if you prefer that method. Some will be available if you forget. A bathroom or porta-potty will be available. Please let the trial committee know if supplies in the bathroom run low.

## **VOLUNTEER SIGN UP**

Volunteers are the backbone of any agility trial. By its very nature, TDAA is small. Small dogs, small equipment, and small trials. We need all hands to make a trial work. Please volunteer to work during classes you are not running and even classes you are running. We will make sure you get adequate time to warm up your dog and do your walk-through. We want everyone to have a pleasant experience running in TDAA while at the same time helping to make the trial run smoothly. Feel free to bring others who may volunteer to help. Cannot move equipment? No problem! There are other agility jobs and ways you can assist.
